DO THE LITTLE THINGS WELL.

WELCOME TO SCHOOL

We hope you had an enjoyable summer break with your families and are looking forward to a very busy term getting used to the new school routine.

Reading

Our reading workshop on the 19th will explain how we teach phonics in school. Please try to attend this.

We will be sending a reading book home for you to share with your child. Your child will also be given a reading organiser. It is important that you sign the organiser each time you read with your child.

Library Book—We also have a little 'class library' with a selection of special books. Your child will bring home a 'library book' and this will be changed weekly.

R.E

The RE topics of this term are families, belonging and waiting. We will be thinking about our families, what things we belong

to and coming up to Christmas we will be thinking about waiting during Advent.

RSHE

The first topic explores that we are created and loved by God. It helps children to understand the importance of valuing themselves as the basis for personal relationships.

Maths

We will be focusing on basic counting skills.

UNIFORM:

Thank you for labelling your child's clothes with their name. Please make sure any new items are labelled as well. Jumpers are easily misplaced and this ensures that they get them back at the end of the day.

Please can all children bring in a named water bottle—water only please!

PE on Tuesdays

As last year, we will be expecting children to come in to school dressed in PE kits every Tuesday. We are planning to do PE outside as much as we can, so make sure they are wearing black leggings/black joggers, white t shirt and school jumper. Please wear trainers, especially as it will get cold and wet soon!

Mathletics

Please remember to log on to Mathletics as often as you can.

Please contact us if you have any concerns or worries.

Reading at home...

We hope you have enjoyed sharing books with your child. **Please continue to read with your child every night and ensure that you write in their organiser so that we know that they have read at home and we can reward them with a sticker each week.**

Make sure your child practices their spellings too, these can be found inside their reading organisers each week. Spellings will be given out on Fridays and tested in school on the following Friday. Your child needs to bring their reading books to school every day so that can read at school.

Homework

Please ensure that homework is completed and sent back to school. We set homework weekly, it is given out on a Friday and please return it to school by Tuesday.

Year One Team

May we thank you in advance for your support and we look forward to a very successful autumn term.

From the Year One team.

Mrs Andrews, Mrs McKinnon, Miss Fitzmaurice, Mrs Sunley, Miss Fearne and Miss Smith.
