- ◆ Term end—25th July
- ◆ **SCHOOL CLOSED for summer** —26th July

DO THE LITTLE THINGS WELL.

WELCOME BACK

We hope you had an enjoyable break with your families, keeping safe and are looking forward to a very busy term.

R.E

The RE topics of this term are Holy days and holidays, Being Sorry and Neighbours.

Literacy

In Literacy we are looking at the story of Peter Rabbit and The rabbit problem. After half term, we will be looking at the story of Katie in London and Paddington at the palace. We will be focusing on full stops, using conjunctions such as 'and' and using language such as because to provide explanations.

Maths

We will be focusing on recognising, adding and making equal groups. We will also be beginning to look at finding a half and a quarter of a shape or quantity. We will be counting in 2s, 5s and 10s up to 100 forwards and backwards.

UNIFORM:

Thank you for labelling your child's clothes with their name. Please make sure any new items are labelled as well. Jumpers are easily misplaced and this ensures that they get them back at the end of the day.

Please can all children bring in a named water bottle—water only please!

Science

We are learning about Plants. We will be describing the features of a plant. We will learn about different types of trees and plants. We will be sorting them into groups such garden plants and wild plants. After half term, we will be looking at comparing different animals. Please see knowledge organisers for more information.

Don't forget to look after your bean plant and watch it grow.

History

In History, we will be looking at famous people from the local area such as Robin Hood. After half term we will be learning about The Royal Family.

PE on Tuesdays

We will be expecting children to come in to school dressed in PE kits every Tuesday. The PE uniform is black leggings/black joggers, white t shirt and school jumper.

Reading at home

We hope you have enjoyed sharing books with your child. **Please continue to read with your child every night and ensure that you write in their organiser so that we know that they have read at home and we can reward them with a sticker each week.**

Please read the list of alien words in your child's organiser every night in preparation for our phonics screening check next term.

Mathletics

Please remember to log on to Mathletics as often as you can. Practice your addition and subtraction.

Please contact us if you have any concerns or worries.

Homework

Homework books are sent home every Friday. Work to be completed by the next Tuesday. Please remind your child to complete this work.

You will find a list of alien words on your child's homework diary. This is to prepare your child for the Phonics Screening test in June. Please **read** these with your child.

Make sure your child practices their spellings too, these can be found inside their reading organisers each week. Spellings will be given out on Fridays and tested in school on the following Friday. Your child needs to bring their reading books to school every day so that they can read at school.

Reading eggs

Year One Team

May we thank you in advance for your support and we look forward to a very successful summer term.

From the Year One team.

Miss Gibbons, Miss Cowley and Miss Tompkin and Miss Hazard.
